Crosstex/SPSmedical Named

FY16 McKesson Medical-Surgical McKesson Brands Supplier of the Year

Hauppauge NY, June 2016: Crosstex/SPSmedical, a leader in infection prevention products and solutions, was named "FY16 McKesson Medical-Surgical McKesson Brands Supplier of the Year" by McKesson's Medical-Surgical business at McKesson's National Sales Conference in Grapevine TX, May 24th-26th.

The McKesson Medical-Surgical McKesson Brands Supplier of the Year award acknowledges medical suppliers and vendors for their commitment to collaboration, high service levels, supply chain efficiency and ultimately driving sales and customer value.

"We are extremely honored and proud to be chosen as FY16 McKesson Medical-Surgical McKesson Brands Supplier of the Year," said Mariann Nestruck, Director of Private Brands at Crosstex/SPSmedical. "We look forward to strengthening our partnership with McKesson and continuing to provide new products and value to our customers." John Sullivan, Director of Sales states, "We continue to use benchmarking tools and data reporting to determine how we can strengthen the McKesson program to drive growth. It is a true team approach."

Working in conjunction with McKesson's team, Crosstex/SPSmedical achieved high ratings in key areas of product fulfillment. Crosstex/SPSmedical highlights include: a 99% customer fill rate; a 20% growth rate, and a #1 manufacturer rating at the recent McKesson New Generation ASC training meeting in Tampa.

About Crosstex/SPSmedical:

Crosstex/SPSmedical serves the healthcare community as a global manufacturer of infection prevention and control products. Crosstex/SPSmedical offers high quality, innovative products, the majority of which are manufactured in the United States in its FDA-registered manufacturing facilities. Sold in more than 100 countries, the range of products distributed to medical, dental, and veterinary practices include: Secure Fit® technology face masks, Sure-Check® sterilization pouches, STEAMPlus® Class 5 Integrators, in-office and mail-in biological monitoring products and services, sterilization packaging, RAPICIDE® OPA/28 HLD, and the SANI line of enzymatic detergent and glutaraldehyde.
